School Uniform

The DPNPS School Council is currently seeking community opinion about our school uniform. By providing input we can be confident that school colours and uniform reflect our community preferences. In the near future, our ageing school signage will need to be renewed and promotional material reordered. It is timely to consider any possible changes at this point before these actions are taken.

There are 2 options regarding changes to the existing uniform, both retaining our school logo.

Option One: keep the existing uniform, maroon and gold, with some minor changes.

Option Two: replace the gold with light blue.

A voting slip is provided in this newsletter. Please return ASAP.

NAPLAN test results are here!

Parents and carers of students in Years 3 and 5 may collect their child's/children's NAPLAN reports and information from the school office during office hours.

On the 28th of October it is House Fun Day.

On this Day we will be having 2 hours of FUN to celebrate the new house names. If you don't know, these are the new house names:

HOVELL
MAWSON
TASMAN
GOULD

The whole school will be participating in this event. To make this day even more fun, the student leadership team has organised for students to come dressed in their house colours, to represent their house. The day will start off with a meeting with your fellow house members and house captains. You will practice your house motto and get some other information.

There will be a parade which will be held in the gym. During the parade each house will be led by their house captains around the gym...and then the games will begin!!!

Good luck to all houses!

DPNPS School Captains

Last term we raised \$200 for the Royal Children's Hospital from the Sporting Colours Day. Thankyou to all who participated.

*Dear Parents/Carers,
We are currently updating our student enrolment records. Please complete all sections of this supplementary enrolment form and return it to the school office. Accurate information about parental occupation has become an increasingly important component of government allocation of resources to schools. We would greatly appreciate your support in ensuring that these details are up-to-date.*

Thank you
