

Deer Park North Primary School Transition to School Program 2019

As part of welcoming our new Foundation students for 2020 , we are providing a series of visits to school from **9:15am-10:45am** on the following dates:

Friday 18th October

Friday 25th October

Friday 1st November

Friday 8th November

During these sessions, the children will experience a range of activities to familiarize them with school life. There will be opportunities to listen to stories, sing songs or do craft activities.

There will be workshops for parents held on **18th October** and **8th November**. These workshops will be held while the children are participating in their transition session. They will be on different topics and run by various presenters. On the other two transition dates, parents will leave their child at school and return at 10:45am.

School Tours: School tours will be available on the last Friday of every month. If you are interested in attending, please call the office to make a booking.

Orientation Day: Tuesday 10th December

On this day, children starting school in 2020 will be able to meet their new classmates and classroom teacher.

We encourage children to attend all of the transition sessions and the Orientation Day to support a smooth transition to school.

On the **first day of school in 2020**, there will be an additional parent information session from **9:00-9:45am** and will include information on the School Nurse Program, supporting learning at home and tips for success in the first year of school.
