CCTV at our school

Deer Park North Primary has decided to use a closed-circuit television (CCTV) system at our school. Located near the senior playground, overlooking our new Tram installation.

Our school has an obligation to ensure the school environment is safe and secure, and fulfil our duty of care to students, staff and visitors. The CCTV system will assist our school to fulfil these obligations and to prevent and manage other inappropriate behaviour on school grounds. CCTV will also provide enhanced capability to protect our school's assets against vandalism and theft.

We will follow Department of Education and Training policy requirements for the design, installation, management and use of the CCTV systems.

This policy is available at: <https://www2.education.vic.gov.au/pal/cctv-in-schools/policy>

We will also place a CCTV Privacy Notice on our school website with more information about our school's use of CCTV before it is rolled out.

If you have any questions or concerns at this stage, please contact the school office on 9363460
