

## Hooked on reading!

Prince excitedly shared a recent shopping experience with his mum and dad. The plan was to purchase some clothes, however, once in the store, Prince was more interested in the book section!

He begged and begged his mum to let him buy a book as well.

Happily she agreed and Prince chose a book called "Dog Man - Grime and Punishment" by Dav Pilkey.

Prince has already read the book and loved it! He's now read all the books in the series – eight altogether!

Prince is now continuing to read The Bad Guys series by Aaron Blabey. There's twelve books and he's reading No. 4!
